

Group
Purchasing
Solutions

Award-winning, class-leading group purchasing programs designed to drive high value and return on investment for employer-based healthcare and benefits programs.

PBGH Rx Program

By harnessing the power of the PBGH Rx program, you are aligning with the united, collective buying power of fellow employers and hundreds of thousands of participants to help you achieve your objectives:

- Critical, actionable insight into your prescription drug spend
- Significant Rx savings by participation in a best-in-class Rx program
- Gauge changes in Rx savings over historical periods, including rebates

Employer Benefits

- **20+ years** of prescription drug experience
- Consistently delivers **nearly \$100 million in savings** for participating employer over contract period*
- PBM-dedicated member client support team
- High-quality outcomes, including specialized clinical solutions to support target populations
- Intervention and monitoring
- Specialty Care Management Nurse support

Clinical Management Program

Through its award-winning RightRx program, PBGH provides advocacy and outreach on behalf of self-funded plans to maximize client and member savings, while also maintaining or improving quality of care

- The program reviews client pharmacy claims data and recommends lower cost therapeutic equivalents to prescribing doctors
- When prescribers approve lower cost therapies, members are contacted by PBGH's trained advocates and educated about cost-saving therapy changes
- New prescriptions for doctor-approved alternatives are forwarded to the member's pharmacy for doctor and member convenience

LivingConnected Diabetes Management

- Providing one-on-one personal coach pharmacists
- Co-pays and diabetic supplies are waived
- Adherence and compliance monitoring to decrease overall health care cost

Preferred Dental Benefits Provider

PBGH, working with Delta Dental® as its preferred dental benefits provider for its members, provides significant advantages, including:

- Large network size (Delta Dental-owned and operated networks to ensure quality of care and predictable fees)
- Prompt, informative customer service
- User-friendly online services
- Oral health wellness program
- Value-based purchasing with affordable dental administration fees

Preferred Vision Benefits Provider

PBGH's preferred provider is EyeMed, America's fastest growing vision benefits company with nearly 47 million members. The plan delivers exceptional savings to employers and provides enhanced benefits to members - allowing them to save about 70 percent on average over retail pricing on optical products.

EyeMed offers:

- On-site pop-up clinics
- Exclusive discounts
- Custom marketing materials
- Wellness integration
- Excellent mix of independent
- Weekend and evening hours and retail providers
- Online options like Glasses.com
- Dedicated account manager and ContactsDirect.com
- Enrollment support
- Same day turnaround at select locations

Annual Flu Shot Vaccine Administration

- PBGH's comprehensive annual flu vaccination program is administered through preferred vendors to regional and national employers at an aggressive price point using on-site clinics and/or vouchers

PBGH Services, Inc., is now GPS.
