

2023 Health Equity Series – Part 2

Maternal Instinct: Learn the Maternal Lifesaving Warning Signs Surrounding Hypertension in Pregnancy and Beyond Along with Understanding Postpartum Depression.

Join your neighbors, friends, co-workers and organizations for the second of a three-part Health Equity Series hosted by the Pittsburgh Business Group on Health designed to shine a light on the maternal health disparities negatively impacting minorities within Western PA and beyond.

May 31, 2023 • 12 p.m. – 1 p.m.
