

**Suzanne Morgan, DO, Chief Medical Officer**

Dr. Suzanne Morgan is a board-certified family medicine physician who earned her medical degree in 2004 at Ohio University College of Osteopathic Medicine. She completed her residency in family practice in 2007 at Doctors Hospital of Stark County. Dr. Morgan has practiced in traditional hospital-owned solo and group practices, including working for the United States Department of Veterans Affairs. She's held positions as primary care, family practice and urgent care physician. Dr. Morgan also serves as clinical assistant professor at the Ohio University Heritage College of Osteopathic Medicine. Knowing that patients need to understand the purpose of health goals as well as possess the tools to make those goals reality, Dr. Morgan wanted to be a part of the PeopleOne Health model. She is passionate about helping patients achieve wellness and wants to help people address any obstacles to their health and well-being. In her personal time, Dr. Morgan enjoys reading science and medical fiction. She likes to relax and spend time with family on fishing trips and other traveling adventures. On her bucket list is a drive through the west to see the national parks she's not yet visited.
