Benefits of Employer Membership

The Pittsburgh Business Group on Health is an employer-led coalition of national, regional and local employers across the public and private sectors. PBGH promotes education, collaboration and innovation among members, and in the community, to drive and deliver value and quality in health care and benefits. Speaking for, and from, the employer perspective on health care and benefits, PBGH raises issues, informs the community, promotes change and drives accountability.

Other benefits of employer membership include, but are not limited to;

Networking

- Expand your network among other benefit professionals
- Exclusive employer-member sessions
- Ability to poll your peers on best practices, benefit insights, and lessons learned
- Direct access and exposure to influencers in the healthcare industry
- Professional development opportunities by
 1. Becoming a PBGH and PBGH Services, Inc. board of directors
 2. Participating on our membership, advisory and ad hoc committees

Education

- On-demand online education for new hires and advanced healthcare professionals
- Access national renowned experts and leading healthcare executives in our region
- Special invitations to attend national conferences and share your experience and knowledge
- Extensive library resources with presentations, webinars, forum recordings, and more

Advocacy

As an employer-led coalition, we are committed to putting our member's voices first and advocating on the local and national issues that impact them.

Group Purchasing

Leverage the collective purchasing power of more than 100 employer members with more than \$5.8 billion in healthcare spend. Since 2017, employer-members have achieved upwards of \$100M in savings. PBGH helps employer-members obtain reduced fees, obtain deeper discounts, and enhanced delivery of services provided to employees and families.
