

Benefits of Individual Membership

The Pittsburgh Business Group on Health is an employer-led coalition of national, regional and local employers across the public and private sectors. PBGH promotes education, collaboration and innovation among members, and in the community, to drive and deliver value and quality in health care and benefits. Speaking for, and from, the employer perspective on health care and benefits, PBGH raises issues, informs the community, promotes change and drives accountability.

This membership is designed for HR professional or benefit leaders seeking deeper insights into the evolving landscape of the healthcare industry, encompassing benefits, resources, and legal implications. Other benefits of individual membership include, but are not limited to:

Networking

- Expand your network among other benefit professionals
- Direct access and exposure to influences in the healthcare and benefits industries
- Professional development opportunities

Education

- On-demand online education for new hires and advanced healthcare and benefits professionals
- Access national renowned experts and leading healthcare and benefits executives in our region
- Extensive library resources with presentations, webinars, forum recordings, and more
- Free admission to webinars and most in-person events; discounted rate on Symposium

Advocacy

As an employer-led coalition, we are committed to putting our member's voices first and advocating on the local and national issues that impact them.
